DOYANG: WOKHA**

**Report**

On August 7, 2024, a seminar and painting event focused on water conservation was held at the conference hall as part of the Jal Doot campaign under the Jal Shakti Abhiyan initiative. The Jal Doot concept, introduced within this framework, designates volunteers as "Water Messengers" who serve as grassroots ambassadors for water conservation, aiming to foster behavioural changes and promote sustainable water practices at the village or community level. Ar. Katila Jamir emphasized the significance of this seminar. Five students participated as Jal Doots, delivering presentations on various related topics:

1. Ms. Thingpio C.P Khamniungan (1<sup>st</sup> Semester): "Rain water harvesting"
2. Mr. Kezevizo Rote (3<sup>rd</sup> Semester): "How can we Conserve water"
3. Ms. Jokholu Nienu (5<sup>th</sup> Semester): "Ways to conserve water for a sustainable living"
4. Mr. Longtichem (5<sup>th</sup> Semester): "Benefits of water conservation"
5. Mr. Renchamo Yanthan (5<sup>th</sup> Semester): "Water footprints"

Eight students engaged in a painting initiative focused on the theme of Water Conservation. The resulting artworks are presented below.

Miss. I. Tainjungla Ozukum acted as the Moderator for the Seminar, facilitating the Seminar's proceedings effectively.
